Now Offering ServSafe Classes

Register Today!

Food safety training is a non-negotiable activity for all members of the restaurant and foodservice industry. It is a highly dangerous gamble to cut corners by reducing or eliminating training. To decrease the risk of food borne illness outbreaks, take advantage of the National Restaurant Association's ServSafe program which provides value beyond certification and is the industry's best day-to-day food safety resource.

Classes are limited to 35 participants.

You must register at least two weeks prior to class. Classes are for one day only.
