UNIVERSITY OF ARKANSAS
DIVISION OF AGRICULTURE

FOOD SAFETY TRAINING
ServSafe® Essentials

ServSafe® has been the industry national standard for over 20 years, training more than *one million* managers and employees how to receive, store, prepare and serve food safely.

To promote complete food safety training throughout your entire operation, managers are first trained and certified through the **ServSafe®** *Essentials* course materials. After the managers are trained, it is easy to conduct in-house training for your employees.
